# AI CHALLENGE COMPETITION

The UTEP AI Challenge competition aims to support participants in addressing the Presidential AI Challenge, which is a national challenge where K-12 youth, educators, and community teams come together to solve real-world problems in their communities using AI-powered solutions with an opportunity to showcase their solutions at a national level.

Who is eligible?

- Elementary school students
- Middle school students
- High school students
- Educators

When is it?

- Jan 7, 2026 (deadline for project submission)
- Jan 12, 2026 (competition award ceremony)

What are the prizes?

- Elementary school teams ($300, $200, $100 for the first, second, and third place winners)
- Middle school teams ($400, $300, $200 for the first, second, and third place winners)
- High school teams ($500, $400, $300 for the first, second, and third place winners)
- Educator teams ($1000, $800, $600 for the first, second, and third place winners)
